

## 2005 MUDO USA MARTIAL ARTS SUMMER CAMP

Under the direction of Master Bee Sung Choi and his select team of Black Belts, MUDO USA is offering one week of martial arts training in Tae Kwon Do, Hap Ki Do, Self Defense, Weapons, Meditation, and other important personal growth areas.

### **Benefits of Martial Arts Camp**

#### **Self Discipline**

Students at our school are taught to set goals and stick to them. They learn to draw upon their own inner drive to succeed.

#### **Self Confidence**

Self confidence is developed at MUDO USA by helping each student reach new and more challenging goals in the study of Martial Arts.

#### **Self Defense**

Students at MUDO USA are taught to think in potentially dangerous situations. This, in combination with teaching both mental and physical strength, makes you able to effectively protect yourself and your family.

#### **Coordination**

Martial arts exercises the entire body, develops your balance, agility, poise, dexterity, reaction times and improves your overall fitness.

**ALL OF THESE BENEFITS ADD UP TO A STRONG SELF IMAGE AND A  
POSITIVE MENTAL ATTITUDE.**

Master BHEE-SUNG CHOI has asked that we include a very special thank you to all the members of last year's summer camp and their parents. As you may already know, it was a very successful camp. Each student enjoyed himself or herself while learning more about themselves and their martial arts. We pledge to do everything in our power to ensure this year's camp is just as successful. Please rest assured that we would keep your family members safe and sound and have them ready to return to their "Home sweet home" on time. Thank you.
