

# PARKING & DROP-OFF INSTRUCTIONS

Mission Martial Arts  
12224 Aiken Road  
Suite 307

**PARKING:** Parking is available directly in front of the building and in the open parking lot directly across from our front doors. If parking in the back, please remember not to block anyone's garage doors.

**DROP-OFF:** Enter on either O'Byrne or Commercial Drive and drop off at the back entrance of MMA. The parking lot behind us has a one-way flow, so please watch carefully and follow the correct flow.

**PICK-UP:** Park either near the front or back entrance and walk up to meet your student. We ask that you not have your students walk across the parking lots alone to find you.

We encourage parents to watch class from time to time. Please remember to sit quietly during class. No talking or other noises that would distract from class. Thank you!
